

Ah! Tissue.
Swine flu is
spread by
coughs and
sneezes so,
it's vital to
cover up
every time

Swine Flu...

How to
**Protect your
organisation**
in 6 key ways

1.
Cover
coughs and
sneezes with
tissues or
masks

2.
Wash –
provide
sanitisers
for staff and
visitors

3.
Keep people
apart – and
hold fewer
meetings

4.
Clean
your work
surfaces with
a biocide

5.
Don't
use other
people's
phones or
equipment

6.
Put up signs
and issue an
employee
checklist
